He rubbed her face around his balls

fingers were tickling my clit, flicking over it so softly.

Next up, the stud penetrated the girl's pussy then pulled out. He rubbed her face around his balls before sliding his shaft into her mouth.

I followed the action as best I could, knowing Sam would know what bit I was seeing, and... I don't know if it was from reliving the movie or just straight up from the sucking I was giving his cock, but he was soon pretty close to spunking his wad.

The cum-shot in the film wasn't far off either, so I grabbed the remote. With Cam's cock still in my mouth I rewound, then had him back on the bed, leaning against the headboard.

Now I was resting my head on his belly, still sucking on him. My double was still gulping down the second guy's sackful as I tasted the first of Cam's spurts in my mouth.

It was so surreal, like watching myself take a load and experiencing the same. *Emily, Portsmouth.*

Dirty double

When my fiancé Sam told me he'd found my "pornalike" on a dirty DVD, I insisted on imitating her randy ways!

I said we should sixty-nine, with me on top, facing the TV.

The me-alike was soon getting double-teamed by two big blokes, one of them tit-riding her as the other one ate her snatch.

Her boobs were soon covered in jizz as he spunked and spanked them with his prick, before coating her nipples at point-blank range.

Now the film focused on the guy eating her snatch, and as Cam's tongue probed and wriggled around in mine, I felt little jolts of pleasure. His

She let out happy little moans as she mouthed my cunt

up against mine. It obviously wasn't her first time with it, though – however hard or slow she screwed me, she was angling it so it hit all the hotspots in my pussy. And I knew that, unlike a guy, she could go like this all night.

My eyes were fixed on the big tits wobbling over my face, and the look on her own face as she screwed me hard. Then she pulled out, let me suck the dildo for a bit before laying on her back and getting me to ride her.

I ground on top of her, spreading my thighs to take the toy in as deep as possible, as she played with her own boobs. Then I raised my arse up slightly and she fucked in from below, stiff and rapid.

As she went back to a slow grind, she slipped a couple of fingers on my clit. I could feel the tension spreading from my crotch until my cheeks were clenched tight, then the pleasure suddenly burst through me and I dropped back down, taking the dildo to the hilt again.

"Your turn to cum," I murmured when I'd recovered, and just swivelled round so we were sixty-nining. After blowing the dildo for a bit, lapping my own cum-cream off it, I unstrapped it.

Angela was so juiced up under her tight harness, that I had a job slurping and sucking it all down. And she was letting out happy little moans as she mouthed my cunt – she loves to eat me soon after I've cum – she says that my snatch is like sucking on a ripe, wet peach.

I was tempted to strap the dildo on and see to her, but that wasn't how we were playing things that night.

Instead, I just grabbed the end of it and used it by hand, stuffing it in her snatch to fill it while I tongued her clit. She started cumming within minutes and for once, she let me take charge.

Later, she reminded me that she was the one who did the fucking – I was there to lick up afterwards. "Whatever you say," I told her. She does like to boss me around, but I think she gets off on me answering back, too, if what we did next was anything to go by…

I Made CONTACT

These are just the latest randy readers to meet and make it big through the pages of Escort Contact.

KAREN, NORFOLK.
38DD, 37 years old. Kinky Wife, p. 56. "I had a sexy rendezvous in the woods that ended up with me getting fucked at both ends!"

Kat called for a five-a-side team to attack her goalmouth in Escort vol 32 no 9

Dear Escort,

After I appeared in *Escort* vol 32 no 9 and told readers that my secret fantasy was to have a session with a whole football team, I received lots of letters from men who wanted to help me fulfill my fantasy, which was no longer secret!

My hubby and I read through all the letters and carefully selected the lucky men who were going to be my very own five-a-side team, with just one goal... to pleasure me!

I had a few letters from Scotland and we decided to drive north for this "away fixture" – in Glasgow to be precise. Once we had arrived, we checked into our room, I shaved my pussy and changed into my white basque, stockings and suspenders before relaxing with a copy of *Escort* to get me in the mood.

The "players" all arrived on time and we were soon having a drink from the mini-bar and everyone was ready for some action. My hubby was the referee and he did a great job, taking pics of the sexy events and making sure that all the guys were playing the game properly, that's to say giving me fucking good time!

With five pairs of hands all over me, it didn't take long for my lingerie to end up on the floor and me to end up on my back on the bed. Soon, all the cocks were hard and looking for pleasure.

I started to stroke the two cocks that were by my side and at the same time took one into my mouth. It tasted good.

The other men were playing further down and I didn't need much encouragement to spread my legs so that they could start to finger me. I like to be fingered gently and when one of them began frigging me too hard, hubby was quick to issue a yellow card! This guy quickly changed his tactics and his gentler rubbing had my pussy juices flowing in no time at all

I urged the team to swap positions several times. I wanted to taste each cock and to see who could turn me on the most.

I was in heaven when the only black guy at the party started to nudge his big cock into my tight, smooth pussy.

He needed little encourage-ment and was soon inside, stretching my lips and making me moan with pleasure. I had never had five cocks at the same time before but I was enjoying every moment, wanking off two and sucking off another, whilst the last one was massaging my peachy bum

Without warning, the black guy

suddenly bucked and I felt a shot of warm spunk spurting into my pussy. Amazing!

We wanted to record as many goals as possible, so my hubby told the others that they should spunk on my face or tits, not inside.

This didn't stop them fucking me, of course, and as soon as the first guy had disappeared, he was replaced by another, smaller cock and the others all changed positions again.

As he fucked me good and proper, I continued to suck and wank his team-mates. As I did so, I smiled at my husband who was still busy recording everything for us to watch later.

No. 2 was ready to spunk and timed his move perfectly, pulling out and spurting his lovely white spunk onto my pert nipples before collapsing into a heap. I was on the verge of cumming myself and so told the next two to shoot their loads onto my face.

They didn't hesitate to oblige and I found it such a turn on to watch them wanking themselves furiously, seeing which one would win the private race to cum first.

The final player was still massaging my bum with his hands and cock and he had to duck his head as the other two spunked at the same time, two shots of sticky, warm jizz hitting my face, chin and shoulders. Wonderful. Heaven.

They got off and quickly left, leaving just one guy. He was happy to be alone and wanted to see me spread-legged and gagging for it. I was.

He stood over me and wanked his big cock right over my face before cumming in three waves of the white stuff.

I came again, right as his spunk splashed into my greedy little mouth.

The team had all left, which left my hubby and me alone, but that's another story!

Doctor Yes

There was some survey in the paper recently about which uniform people found sexiest. Most women said a fireman's, while the blokes got hard over nurses.

Most nurses are probably too overworked to live up to the fantasy, but – getting down off my soapbox – I try to embody it while I can. I've had a few shags during on-duty hours in my time, with other staff and even the occasional horny patient. Nobody with a heart condition, though!

The best time was with this junior doctor. I must have had ten years on him, but soon realised he was in lust with me. One day he asked was I wearing stockings – I said no, they were tights, but if he came to see me the next day, I'd have a treat for him.

Sure enough, we ended up in an empty private room, blinds drawn, as he rucked up my tight uniform to get a proper look and feel of my suspender straps. There was a stripped bed in there, with a rubberised mattress, and he bent me over it, pulling my skirt up to totally expose my arse, the sussies stretched tight over my cheek-flesh.

I knew my pussy lips would be pouting out irresistibly from between them, all wet and shaggable, and sure enough I heard him fumble his pants down and slide up me in one thrust.

I thought it was just to kill time at work while he was on call, literally an on-the-job thing. But he was just as up for coming home with me when our shifts ended. He got me to suck his cock, still tangy with my pussy juices, and wash his jizz down with a glass of white wine – the perfect way for me to unwind after a demanding day!

Then he was ready to fuck me all around my flat – imaginatively, but not just for the sake of doing it in weird ways. The best fuck was when he did me from behind again, bent over my dressing table, so we could look at each other's reflection and see ourselves at it.

He stayed overnight and we walked to the hospital together the next morning – if anyone saw us, we didn't give a toss! I gave him more than a toss on the way in, though. We arrived with loads of time to spare, so we sneaked into a nearby park.

Just as he was fucking my snatch yet again, in the bushes just off the main footpath, a woman walked by. We don't know if she heard the noises we'd been making, but thinking we might have been caught, or been grassed to our bosses just added even more spice to our fuck-play.

I'll be honest, I live for sex. All I want to do with my life is fuck, and I'll be happy and fulfilled. I know I can't screw all day every day, but I try to get as much in as I can. And I love sucking cock too, or having a bloke go down on my pussy – whatever we're into at the time.

Instead, I grabbed my bottle of baby oil from the shelf, squirted about half of it all over myself, rubbing it in.

Then I grabbed a dildo – I keep one in every room so I can wank wherever and whenever the mood takes me – and started walloping it in and out of my cunt, making myself cum until I really was exhausted!

Tarted up

For her birthday, a mate of mine had a 'WAGs and Slags' night out, where we all went in fancy dress.

I managed to borrow a really good blonde wig and a tight mini-dress – I got the footie wife thing so spot on it was a bit scary.

My real hair is dark, and my usual dress sense more classy, but I was gobsmacked by how differently blokes treated me. I felt more confident, too. To be honest, the ones I were attracting weren't my normal type, but getting laid wouldn't be a problem if I wanted it.

I thought I'd see how far I could push it, pull a bloke who I'd normally consider out of my league – and my target that night was Geoff.

I walked past him a couple of times, made eye contact, then queued up by the bar, a little bit further down. Sure enough, he came over and bought me a glass of cheap champagne, and we were snogging before I'd downed the last of it.

I acted a bit more pissed and giggly than I was, squeezing his arse. His hands began to wander, too, stroking my boobs. I whispered to go into the gents and I'd follow him in a couple of minutes.

He was waiting, beckoning me into a cubicle, and seemed so fucking chuffed that I hadn't changed my mind! As we snogged I groped his crotch, and his hand was soon up my skirt, fondling my pussy through my thong.

I got it out and wanked him as stiff as I could get him. There wasn't much space and so I couldn't straddle him sat on the loo. Instead, I turned round and bent over it, reaching back to splay myself.

He wet a thumb and stuck it up my arse while fingering my cunt. Then he replaced his fingers with his cock, driving in balls-deep.

It was a bit of a frantic shag – he was going for it, so I frigged my clit even faster wanting to cum before he shot. He grunted and sucked in his breath as my pussy clenched tight.

Even when I stopped cumming, I kept squeezing him with my walls, finally coaxing me to a massive, wet cum – when he pulled out, I felt the wetness gush down my inner thighs.

I got down on my knees and gave him a sucking, swallowing a big mouthful of jizz before we were interrupted by someone bashing on the door.

I've also got to admit, when I saw him down a pub later that week – with me as myself – he didn't look at me twice.

Goes to show what tarting up can get you!

CHLOE, LANCS.
38-30-37, 47 years old. Show Us Yours, p. 47. "Readers who reply can fuck me – as long as my filthy husband can watch!"

Filthy flasher Chloe wanted sexy fun after stripping in vol 31 no 13. Boy, did she get it...

YOU SQUIRTY OLD THING!

Dear Escort,

I just wanted to write in and let you know about the horny experience we had recently after my gorgeous wife Chloe appeared in your mag.

One of the letters we received was from a couple, Tim and Tina. They wanted to meet up with us – they said they couldn't wait to get their hands on Chloe's body.

We arranged for them to come and stay with us for the weekend and said we'd meet up at the local pub.

When we turned up we found out they has brought a friend of theirs along, Kelly.

She was very pretty, with gorgeous firm tits and a figure to match. Well, I thought all my Christmases had come at once! I was going to see my sexy wife get fucked by a total stranger and I was hopefully going to get to fuck three juicy cunts all in one night.

All three girls had very short skirts on and were getting a lot of attention in the pub from the young lads who were in there.

We soon set off to go back our house. The girls were walking in front of us, groping each other's peachy arses as they hurried ahead.

When we got home we wasted no time and went straight up to the bedroom.

Tom had told me on the walk that Tina squirted loads when she orgasmed. I had laughed and told him that Chloe was exactly the same. By the time Tom and I got up to the bedroom the girls were already naked.

Chloe and Tina had two fingers each knuckle deep in Kelly's wet juicy cunt and whilst Chloe had her tongue down Kelly's throat. Tina was sucking on Kelly's hard nipples.

Tom and I both had our cocks in our hands watching the girls. Kelly was now spasming with orgasm after

orgasm as the girls thrust their fingers up her now gaping red pussy. Once Kelly was spent, Chloe and Tina got me to lie on the bed. They faced each other and knelt over my face.

Kelly took her position

and started sucking my cock with Tom behind her sliding his thick cock into her swollen and abused cunt. She soon got used to his deep thrusts and was taking my cock and gagging on it with every thrust.

Chloe and Tina had their pussies just above

my face, frigging their swollen clits in unison.

Kelly was still taking the whole length of my cock down her throat when all of a sudden my wife and Tina started to shudder as jet after jet of their juices squirted onto my face. It was just like they were pissing their juices onto my face. I thought it would never stop – it was just flowing from their cunts. I was soon creaming my hot spunk down Kelly's throat and Tom pulled out and squirted his all over her bum.

I had never experienced anything as horny in my life, I can tell you.

We fucked another three times that night and each time the girls squirted just as much as the first time.

It was amazing to watch this juice spurt from their red puffy twats – the bed was piss-wet through by the end of the night.

Chloe, Lancs

Have an eyeful of cheerleader Kelly in all her pom-pom and glory. Everyone else does! "I like to have sex with the lights on and the curtains open. Putting on a show for strangers always makes me cum harder. I love to look into someone else's eyes as my pussy spasms round my fella's cock!"

Bird on a flyer

At the nature reserve, my hubby and I noticed that a man was following us.

Making our way to a bird watching hut, I made eye contact with him so that he knew he should follow us in.

Once inside, my hubby and me got straight down to business – one hand was on my tit and the other delving into my knickers.

my mouth and started to suck him hard whilst my hubby fisted my soaking cunt. Having both my holes filled was too much and I started to cum all over my hubby's' fist.

This set off the stranger and soon he was filling my mouth with hot creamy cum. I gobbled it down and then we all quickly changed position. I got down on to all fours, my hubby slid his cock in to my mouth and the stranger knelt down behind me.

Hubby laid on the floor and I quickly impaled myself on him. Our stranger came behind and slowly eased his still throbbing shaft up my bum. I let them screw me hard and I couldn't stop myself from screaming out loud as my sexual dream came true. The more they thrust at the same time the wetter I became and I could feel myself soaking my hubby's cock and balls.

The door of the hut swung open and one of the men who worked there walked in. He just looked at me and smiled, he must have heard my screams! I smiled back, "Don't just stand there – get your pants off and your cock in my mouth!"

Within seconds I had three cocks filling me up – cunt, arse and mouth. I was so turned on that with each inward stroke my juices splashed out. I was soaking wet and making quite a puddle in the hut. They all came within seconds of each other and my whole body was aching and covered in their hot salty cream!

Dee, Lancs.

Three cocks filled all my holes up

The door swung open and the guy who had been following us fixed his eyes firmly on my cunt.

I wriggled out of my knickers and unzipped my skirt and was naked in seconds. This was enough for him and I could see his cock rising through his trousers.

My stalker dropped his pants and swung his erection close to my face. I opened

He began to fuck me hard and soon I was screaming with pleasure as his throbbing cock filled me up. I told him I wanted his juice in my bum. He didn't need telling twice! He pulled out of my pussy and quickly slammed it in to my arse. I felt his sticky salty jizz filling up my bum but I still wanted more. I wanted cock in my cunt and in my arse at the same time!

XENA

Why is the nurse fantasy still so big? These days, you're more likely to be shushed and wheeled off to die in a corridor than get a bed bath off a pocket-sized sex dynamo. Old fantasies and Carry On films die hard, we suppose. But if 24-year-old Xena doesn't burst a blood vessel in your cock after this intimate examination, you must be dead already.

Holiday horn

My mate Julia and I were on holiday in Corfu when we realised a guy on a nearby balcony was spying on us. Julia wanted to give him something to ogle. She grabbed her bottle of sun oil, then started massaging it into her tits, pushing them together to form a tight gap any bloke would love to thrust his cock into.

The bloke chickened out when he realised he'd been spotted and went back indoors. Then Julia started moaning that maybe she should just knock on his door and fuck him!

I felt a bit awkward, then I saw her hand stray down over her belly and inside her thong, too skimpy to cover her hand. She had two fingers crooked into her hole, and was rocking her hand over her clit. That should have felt even more embarrassing, but the truth was, I'd been silently leching over her sexy body as much as any bloke had.

My nipples were tingling and my cunt was feeling really wet and warm inside my bikini bottoms. So I followed her lead, sliding my fingers down into them. Julia now pulled her thong sideways, baring her cunt and spreading her lips. Her crease was sodden, just like mine felt, and as she looked over, hearing me whimper, she gave me a dirty little smile, totally approving.

I couldn't look at her right then, it was too much, so I wriggled out of my panties, then splayed my legs, eyes shut and head back as I frigged myself deep. Then I sort of sensed her standing over me, opening my eyes to see her hand still buried in her thong.

She slipped it off then knelt over me, tits swinging above my face. I licked a nipple, making her shiver, then we started to caress each other's boobs properly.

Julia's fingers penetrated my

Absolutely grab-ulous

My lezzie flatmates and I decided to fuck non-stop all weekend.

We'd gathered up every sex toy all three of us owned and mixed up some lethal cocktails. Tara had me on the couch, legs up, and got lapping away at my pussy, only stopping to give Sammi a snog so she could taste me too. Then I squealed as Sammi handed her a lubed butt-plug which she slipped up my arsehole.

Anal always gets me cumming, really quick and really hard, so I probably orgasmed twice as much as I normally do over the next couple of hours of full-on sex. If I didn't have Tara's blonde head buried in between my thighs, then Sammi's dark one was banging away. Or there were fingers churning up my hole, or someone had grabbed yet another dildo to try on me again.

Fiona, Derby

Of course, my eyes were glued to them as they entwined their legs and ground their shaved naked cunts against each other's thighs. Soon I was desperate to join in again.

I moved in behind Tara. She had smaller tits than Sammi but they'd always fitted my hands perfectly! I cupped them, then she turned around to kiss me and I sucked on them too.

Meanwhile, Sammi was sat, legs wide open, giving her snatch a good, hard seeing-to with another sex toy. I went over and yanked it out of her,

She got a fuck-juice mouthwash too

I soon had to tell them to stop, for now at least, so we all had a drink and then they got stuck into each other.

sucking the cream off it.

More cocktails – mixed by Tara with a vibrator, just for effect! – and we were

cunt, then found my G-spot – I couldn't always find it myself, but she zeroed in right away! I gasped, bucking my hips and moaning, not caring if anybody heard us. Then her other hand closed over my clit, and I started cumming, harder than ever before.

Julia was just getting warmed up, though. She said she'd fantasised about fucking me for ages, then buried her face between my legs. Her tongue couldn't quite give me a G-spot orgasm, but what it did to my clit, along with a bit of suction, finished the job. *Sharlyn, Doncaster.*

I splayed my legs and frigged myself

A night in

My mates and I pulled this little hottie in the pub the other night. She was gagging to get back to my flat and happy for my two chums to come with us.

I patted her on the cheeks and told her to "be a darling and go suck my dick."

She slithered down, unzipping me, telling the others to get their cocks out ready, they'd be next. Then her mouth engulfed my helmet and she was off. So was I a couple of minutes later, so she crawled over to Gav. She gazed up into his face as she gave him a sucking too. It didn't put him off his stroke, though – nor did Bryan licking her out from behind.

She liked that, moaning through a mouthful of cock, sucking even harder on it. Then Bryan rubbed his dick up and down her crease before pushing in and starting to fuck her, shoving her mouth on and off Gav's tool.

My dick was still throbbing, but I wanted in on this, so I slid underneath her to have a go on her tits. It was slightly weird, knowing how much tackle was in play right now, but I just kept on fondling her fantastic globes.

I let them go pretty sharpish, though, when Gav moaned that he was cumming and she said that's where she wanted it.

She reared up, tits cupped in her hands so he could spray all over them. Bryan slipped out so she twisted round, onto her back, then took a few more strokes before he started jizzing too. She moaned at him to blast it on her belly.

I got on my haunches and pulled her on top of me, my dick jamming up her spunk-lubed cunt in one quick thrust. She jiggled up and down on top of me, jizzy tits right in my face, and soon she got another load right up her.

Any time there was a boner, she took it, and by the end, she was soaked in ball juice. *Dominic, Sleaford.*

She reared up so he could spray her tits

up for more fun. Feeling a bit sticky, I said maybe we should hit the shower to freshen up, but they decided to give me a "juice bath" instead.

As you'll have guessed, this involved them rubbing their sopping twats all over my body, smearing and slithering over my legs and belly. Then Sammi got in position over my face, so I could get a fuck-juice mouthwash too, while Tara straddled my tits, wanking herself against my stiff nipples.

Then I got a mouthful of dildo. It tasted of Sammi's juices, because she'd had a quick dip, and as I gobbled it, Sammi banged her own up my pussy.

I came so hard that by Sunday my legs went all wobbly whenever I walked! *Fiona, Derby.*
